idea

Un unico binario elegante per comporre la tua illuminazione ideale.

A single, elegant track to compose your ideal lighting.

Un único carril elegante para componer tu iluminación ideal.

application

Elemento minimale per l'integrazione in qualsiasi spazio.

A minimalist element for seamless integration into any space.

Un elemento minimalista para la integración en cualquier espacio.

plus

Finiture premium che trasformano un elemento tecnico in un dettaglio di design.

Premium finishes that transform a technical element into a design detail.

Acabados premium que transforman un elemento técnico en un detalle de diseño.
